## Message from the Office of IAPP

Dear Colleagues,

It gives us immense pleasure to welcome you to the Mid-Term CME 2026 of the Indian Association of Private Psychiatry, to be held in the vibrant and dynamic city of Bengaluru a hub of innovation, learning, and forward-thinking ideas.

The theme for this year, "Private Psychiatry 2026: Ethics, Excellence & AI," reflects the pivotal moment at which our profession stands today. As advances in artificial intelligence and digital technologies rapidly reshape healthcare delivery, private psychiatrists are uniquely positioned to integrate innovation with individualized, compassionate care. At the same time, the enduring pillars of ethics, professionalism, and clinical excellence remain central to our practice. This CME seeks to thoughtfully explore how we can harmonize these dimensions to enhance patient outcomes while safeguarding trust and integrity.

Mid-Term CME 2026 aims to serve as an engaging academic forum that promotes reflective practice, skill enhancement, and meaningful dialogue. Through expert-led sessions, case-based discussions, and interactive deliberations, we hope to deepen our understanding of emerging tools, ethical challenges, and best practices that define contemporary private psychiatry.

We are confident that this academic gathering will not only enrich our professional competencies but also strengthen collegial bonds and collaborative spirit among members. We extend our best wishes to the organizing team and look forward to a stimulating, forward looking, and rewarding Mid-TermCME2026.

## Message from the Organizing Hosts

### PrivatePsychiatry2026: Ethics, Excellence & AI

As we stand at the threshold of a new era in mental healthcare, the IAPP Karnataka Chapter, in collaboration with IPS-KC, invites you to a landmark CME designed for the modern practitioner. The year 2026 represents a definitive shift where clinical mastery must meet technological fluency. This program is curated to help private practitioners navigate the complexities of a rapidly evolving landscape, ensuring that as we adopt the tools of tomorrow, we remain anchored in the core values of our profession.

### The CME focuses on four transformative pillars:

**Guardians of Ethics:** Redefining patient confidentiality and professional boundaries in an age of digital data and AI-driven insights.

**The Standard of Excellence:** Integrating precision psychiatry and advanced clinical protocols to deliver superior, personalized patient outcomes.

**AI as a Clinical Ally:** Transitioning from manual workflows to "Augmented Practice" using ambient intelligence and predictive analytics to reduce burnout.

**The Sustainable Practice:** Building a resilient, "phygital" private practice that balances human-centric therapy with the efficiency of 21st-century

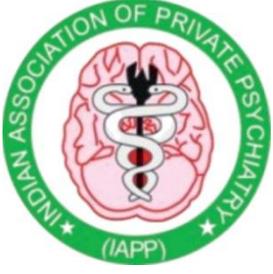

Warm regards,

**Dr. Anil Kumar M N**  
President, IPS-KC

**Dr. V A Malipatil**  
President, IAPP KARNATAKA

**Dr. Narayan R Mutalik**  
Hon. Secretary, IPS-KC
